GIFT AMBULANCES

SIR,

I am directed to say that it is understood that recently a donor offered to the Defence Department a gift in the shape of a fully-equipped ambulance. In this connection, the Government of India observe that, as the ambulances have to conform to certain specifications, it will not be possible for donors to prepare ambulances of the required standard, unless they are built to ^{army} any specifications and inspected by the Army inspecting officer during construction. Occasion may also arise when a firm of body builders will quote a "special price" to provide an ambulance for some contributors, who are only able to raise a sum less than that normally required. The ambulance thus turned out must necessarily be of inferior material and workmanship and will not come up to the military specifications.

2. In the circumstances, the Government of India are of the opinion that gifts of complete ambulances should be discouraged and prospective donors should be invited to make money contributions in lieu. (The amount required for an ambulance is Rs.3,275/-.) I am accordingly to request that, if there is no objection, the position may kindly be explained to all concerned.

Appeal for R.A.F. Benevolent Fund.

CP.

23/9/41
Hy Dr. Kesavaiengar

I am desired to say that recently an appeal appears to have been issued from England for contributions from India on behalf of the R.A.F. Benevolent Fund. In this connection the Government of India observe that the R.A.F. Benevolent Fund is no doubt a most deserving fund, but it has already benefited by generous contributions from India and also receives a share of the 10% of all contributions for aircraft for the R.A.F. which is set aside for Service Benevolent Funds. There is however the Indian Air Force Benevolent Fund which the Government of India point out is still younger and has far less resources, and is almost equally deserving of support from India, particularly in view of the fact that, though demands on it have not yet begun, these undoubtedly will eventually be made.

2. The Government of India accordingly desire that contributions on this account may kindly be made through His Excellency the Viceroy's War Purposes Fund as intended, preferably for Air Force or Service Benevolent Funds generally, and not specifically for the R.A.F. Benevolent Fund, so that a fair apportionment can be made. I am to request that if there is no objection the position may kindly be explained to all prospective donors.

Yours sincerely

My Dear Kesavaiah,

I am desired to say that, in connection with an appeal issued by Earl Haig's British Legion, the Government of India observe that the Appeal Committee of the Viceroy's War Purposes Fund have decided that, in view of the heavy demands on behalf of the Indian Forces, e.g. for amenities for troops, the Red Cross, assistance to disabled Indian soldiers and their dependents, etc., requests from various social and relief organisations working overseas should not at present be entertained save in very special circumstances, and that requests of this kind received by the Viceroy's War Purposes Fund have, accordingly, been turned down. The Government of India add, that, while there would be no objection to a small grant being made to Earl Haig's British Legion, in case an appeal is received from them, it would, on the whole, be better if a similar line to that which has been adopted by the Appeal Committee of the Viceroy's War Purposes Fund is followed in such cases by all War Fund Committees.

2. I am to request that, if there is no objection, the above position may kindly be brought to the notice of the Mysore War Fund Committee.

PRESS NOTE

GIFTS OF FOOD TO THE UNITED KINGDOM MINISTRY OF FOOD'S NEW REGULATIONS.

The procedure regarding gifts of food sent to the United Kingdom from abroad has recently been reviewed by the Ministry of Food, and in order to conserve shipping space for the more urgent supplies, they have notified the following new regulations which will be applied in respect of all gifts despatched from abroad after June 28, 1941:

2. Bona fide unsolicited gifts whether they include rationed foods or not may be sent from abroad by parcel post addressed to individuals. No parcel may exceed 5 lbs. gross weight or contain more than 2 lbs. of any one foodstuff. The maximum of 5 lbs. will also be applied by the Board of Trade in the case of non-foodstuffs. No U.K. permit or licence is required in such cases and all parcels must be clearly marked as gifts.

3. A gift cannot be regarded as 'unsolicited' where it is despatched as a result of some prior communication sent by the recipient to the donor. Moreover, the receipt of gifts at frequent intervals is not permitted.

4. Licences which have been granted to importers in the United Kingdom to receive individual gifts in bulk for distribution through the parcel post on arrival in the United Kingdom will not be renewed or any further licences of this type approved. Existing licences and those recently expired and under consideration for renewal will be held to cover consignments despatched from abroad by June 28.

5. Where well-wishers abroad desire to send larger quantities of foodstuffs (which must not include rationed foods) they must first arrange for some responsible organisation in the United Kingdom formed for charitable or similar purposes to be the recipient of such gifts. Application for a licence must then be made to the Ministry of Food by the organisation which will be required to give an undertaking that the goods will be consumed within that organisation. For example, if the recipient is a hospital the food would be supplied to patients or members of the staff.

6. In the case of neither parcels or larger consignments will it be permitted to send any money out of the United Kingdom in respect of gifts of food.

7. Apart from the foregoing restrictions imposed by H.M.G., the Indian public are reminded that export by post of tea in excess of one pound will require an export licence issued by the Indian Tea Licensing Committee, Calcutta, under section 11(c) of the Indian Tea Control Act, 1938.
